[Miscellaneous Circular 22—Supplement No. 9]

### AMENDMENT TO REGULATIONS FOR THE ENFORCEMENT OF THE NAVAL STORES ACT

Pursuant to the authority vested in the Secretary of Agriculture by section 4 of the Naval Stores Act, approved March 3, 1923 (42 Stat. 1436; U. S. C., title 7, sec. 91-99), Regulation 17 of the Regulations for the Enforcement of the Naval Stores Act, entitled "Loan and Care of Duplicates of United States Standards", is hereby amended, effective May 1, 1936, by substituting for such regulation, in its entirety, the following paragraphs:

(a) Duplicates of the United States Standards for rosin shall not be sold, but shall remain the property of the United States Department of Agriculture. They may be loaned by the Department to interested persons when the Chief of Administration determines it practicable to do so, and shall be surrendered promptly at his request by any person to whom the same may have been loaned.

(b) Duplicates of the United States Rosin Standards may be furnished without prior deposit of security, so far as the supply in the possession of the Department will permit,

(1) To any official inspector of naval stores authorized by and regularly appointed under competent authority and who has been approved by the Chief of Administration for receipt thereof, and to such trade organizations as shall in the opinion of the Chief of Administration require same; and

(2) To any bonafide naval stores dealer or distributor, approved by the Chief of Administration to act as a depository of such duplicates, who maintains a regular naval stores yard or yards, the facilities of which are available to and regularly used by the public for the purpose of having rosin inspected,

classified, and graded, provided, that an annual rental fee of \$4.00 shall be paid, in advance, for each set of duplicates received under this subsection. Not more than two sets of duplicates shall be so furnished, without full security therefor, to any one such naval stores dealer or distributor.

(c) Duplicates of the United States Rosin Standards may be furnished to interested persons or corporations other than those specified in paragraph (b) hereof, on deposit with the Department of security in the sum of \$100.00 in cash, or by certified check, post office or express money order payable to "U. S. Department of Agriculture."

(d) If for any reason any interested person to whom a set of duplicates has been issued under paragraph (b) hereof shall request or need another set of duplicates to replace the first set received, and shall be unable for any reason to return such first set, said person shall be required to deposit the security provided in paragraph (c) hereof prior to receiving such replacement duplicates. In case of recovery of the first set, or any part thereof, it shall be surrendered for inspection, repair, or replacement if necessary. After the cost thereof has been determined and paid, such set of duplicates will be returned to the interested person, whereupon the second set shall be surrendered and the security returned to the person posting same.

(e) Interested persons desiring the loan of duplicates of the United States rosin standards shall submit a request, properly signed, on the form provided therefor by the Department, to be had on application. They shall therein submit such information as will show they are entitled to receive such duplicates, and shall assure their safe-keeping, care, proper use, and prompt return on demand. They shall agree on demand to reimburse the United States for the cost of repairing any damage to said duplicates or of replacing any or all of them, if for any reason they cannot be returned to the Department in like good order as received, provided, that in case security has been posted, they shall further authorize the Department to reimburse the United States for any such costs, not otherwise paid for, out of the security held for the loan of said duplicates.

(f) In case any duplicates are damaged, or any or all are missing, the party to whom such duplicates have been loaned shall promptly advise the Administration in writing, stating what damage or loss was sustained and how the same occurred. The Administration shall take prompt action to recover the duplicates and take such steps as may be deemed suitable or proper to bring about the return of any missing duplicates. When the necessary repairs are made or the missing parts supplied the full set, if desired, may be returned to the party to whom it was originally furnished.

(g) The cost of making any necessary repairs to any duplicates of the rosin standards or of replacing any duplicates damaged beyond repair, or any missing duplicates, shall be determined by the Chief of Administration, and the party to whom loaned advised of such cost. Payment to cover the cost of such replacements shall be made prior to the return thereof.

(h) On the death of any person or dissolution or reorganization of any partnership, firm, or corporation holding any set of duplicates of the Official Rosin Standards, the same shall be promptly surrendered to the Department by the person having possession thereof.

(i) The security received from persons to whom duplicates of the United States Rosin Standards have been loaned under paragraphs (c) or (d) hereof will be held for the Department in its special deposit account, and will be returned to the person from whom received, or his legal representative, on surrender of the duplicates secured thereby, provided, that before refund is made there shall be deducted the cost of any repairs or replacements.

All monies received or withheld to cover the cost of repairs to or of replacing any missing parts of any set of duplicates or as rental of duplicates shall be paid into the United States Treasury as miscellaneous receipts.

## SECURITIES EXCHANGE ACT OF 1934

AMENDMENT OF RULE UB2, NON-DISCLOSURE OF INFORMATION FILED WITH COMMISSION AND WITH AN EXCHANGE

The Securities and Exchange Commission finding that Rule UB2, as herein amended, will provide disclosure fully adequate in the public interest and for the protection of investors, and that such rule is necessary for the exercise of the functions vested in the Commission, pursuant to authority conferred upon it by the Securities Exchange Act of 1934, particularly Sections 12, 13, 23 (a) and 24 (b) thereof, hereby amends Rule UB2 to read as follows:

RULE UB2. *Nondisclosure of information filed with the Commission and with an exchange:* And person filing any application, report, or document under the Act may make written objection to the public disclosure of any information contained therein in accordance with the procedure set forth below:

(a) The person shall omit from the application, report, or document, when it is filed, the portion thereof which it desires to keep undisclosed (hereinafter called the Confidential Portion). In lieu thereof, it shall indicate at the appropriate place in the application, report, or document that the Confidential Portion has been so omitted and filed separately with the Commission.

(b) The person shall file with the copies of the application, report, or document filed with the Commission:

(1) as many copies of the Confidential Portion, each clearly marked "Confidential" as there are copies of the application, report, or document filed with the Commission and with each exchange. Each copy shall contain the complete text of the item and, notwithstanding that the Confidential Portion does not constitute the whole of the answer, the entire answer thereto, except that in case the Confidential Portion is part of a financial statement or schedule, only the particular financial statement or schedule need be included. All copies of the Confidential Portion shall be in the same form as the remainder of the application, report, or document.

(2) an application making objection to the disclosure of the Confidential Portion. Such application shall be on a sheet or sheets separate from the Confidential Portion, and shall contain: (i) an identification of the portion of the application, report, or document which has been omitted; (ii) a statement of the grounds of objection; (iii) either a consent that the Commission shall determine the question of public disclosure upon the basis of the application and without a hearing, or a request for a hearing on the question of public disclosure, if that is desired; (iv) the name of each exchange with which the application, report or document is filed.

The copies of the Confidential Portion and the application filed in accordance with this paragraph (b) shall be enclosed in a separate envelope marked "CONFIDENTIAL" and addressed to The Chairman, Securities and Exchange Commission, Washington, D. C.

(c) Pending the determination by the Commission as to the objection filed in accordance with paragraph (b), the Confidential Portion will be kept undisclosed.

(d) If the Commission determines that the objection shall be sustained, a notation to that effect will be made at the appropriate place in the application, report, or document.

(e) Prior to any determination overruling the objection, if a hearing shall have been requested, notice of the time and place of such hearing will be given, by registered mail, to the person or his agent for service.

(f) If after such hearing the Commission determined that the objection shall be sustained, a notation to that effect will be made at the appropriate place in the application, report, or document.

(g) If such hearing either (1) shall not have been requested, or (ii) if requested, shall have been held, and the Commission shall have determined that disclosure of the Confidential Portion is in the public interest, a finding and determination to that effect will be entered and notice of the finding and determination will be sent by registered mail to the person or his agent for service.

(h) If such finding and determination are made with respect to the Confidential Portion of an application, report, or document filed pursuant to Section 12 or 13 of the Act, the registration of the securities with respect to which the application, report, or document was filed may be withdrawn at any time within fifteen days of the dispatch of notice by registered mail of such finding and determination. Such withdrawal shall be effected as follows:

(1) The issuer shall file with the Commission a written notification of withdrawal.

(2) Upon receipt of such notification, the Commission will send confirmed telegraphic notice thereof to each exchange on which the securities are registered.

(3) The registration shall continue in effect until, and shall terminate on, the close of business of the tenth day after the dispatch of such telegraphic notice to the exchange by the Commission.

(4) All applications, reports, or documents filed in connection with the registration shall be retained by the Commission and the exchange on which filed, and shall be plainly marked: "Registration withdrawn as of \_\_\_\_\_ (date of termination of registration)", except that all copies of the Confidential Portion will be returned to the issuer.

(i) The Confidential Portion shall be made available to the public at the time and according to the conditions specified below:

(1) Upon the lapse of fifteen days after the dispatch of notice by registered mail of the finding and determination of the Commission described in paragraph (g), if prior to the lapse of such fifteen days the person shall not have filed a written statement that he intends in good faith to seek judicial review of the finding and determination;

(2) Upon the lapse of sixty days after the dispatch of notice by registered mail of the finding and determination of the Commission, if the statement described in subparagraph (1) immediately above shall have been filed and if a petition for review shall not have been filed within such sixty days; or

(3) If such petition for review shall have been filed within such sixty days, upon final disposition, adverse to the person, of the judicial proceedings.

(j) If the Confidential Portion is made available to the public, one copy thereof shall be attached to each copy of the application, report, or document filed with the Commission and with each exchange.

The foregoing amendment shall be effective immediately upon publication, provided that any application, report, or document filed with the Commission on or before May 21, 1936, need comply only with the requirements of Rule UB2 as in effect prior to this amendment.
